7.HIGHWAYS/PATHS/DYKES

- The confirmed that potholes parish wide including the one at the junction of Broad Lane and Bellasize Lane have been reported again
- The kerb at the bridge near to the new pumping station has been reinstated as has a short section of the footpath
- The Ouse & Humber Drainage Board has responded to the enquiry by the parish council – piling will be put in place near the new pumping station, to prevent slippage into the dyke, in the new financial year
- The new bridge for the bridleway has been sited with a few ‘tweeks’ necessary
- The piles of soil will be removed

7.HIGHWAYS/PATHS/DYKES contd.....

It was generally agreed that everything was good but when the new system is joined into the Gilberdyke section it is to be hoped it all works well. At present there is a large amount of water held in the system. Some work is now necessary to regrade older dykes running into the system. The Clerk to contact the Ouse and Humber Drainage Board.
